TITLE Council for Exceptional Children Selected Convention
and Special Conference Papers Index.
INSTITUTION Council for Exceptional Children, Arlington, Va.
Information Center on Exceptional Children.
SPONS AGENCY Bureau of Education for the Handicapped (DHEW/OE),
Washington, D.C.
PUB DATE Jun 73
NOTE 65p.
AVAILABLE FROM Council for Exceptional Children, 1411 South
Jefferson Plaza Highway, Suite 900, Arlington,
Virginia 22202
EDRS PRICE MF-\$0.65 HC-\$3.29
DESCRIPTORS *Bibliographies; *Conference Reports; *Exceptional
Child Education; *Handicapped Children
IDENTIFIERS *Council for Exceptional Children

ABSTRACT

Presented is a cumulative index of authors and titles of papers given at various annual and topical conventions of the Council for Exceptional Children. The conventions are listed in chronological order beginning with the 40th annual convention held in 1962 and ending with the convention of 1972. Special conventions papers are listed chronologically after the annual convention of that particular year. Order numbers, microfiche and hard copy prices and the full table of contents are given for each collection of papers. An order form is included. (DB)

THIS DOCUMENT HAS BEEN REPRODUCED EXACTLY AS RECEIVED FROM THE PERSON OR ORGANIZATION ORIGINATING IT. POINTS OF VIEW OR OPINIONS STATED DO NOT NECESSARILY REPRESENT OFFICIAL NATIONAL INSTITUTE OF EDUCATION POSITION OR POLICY.

The Council for Exceptional Children Selected Convention and Special Conference Papers Index is a cumulative index of authors, titles and ED order numbers for the various Council for Exceptional Children annual and topical conventions. The conventions are listed in chronological order beginning with the 40th annual convention held in 1962. Since 1969 the Council has sponsored one or two special conventions each year. These selected special convention papers are listed chronologically after the annual convention of that particular year.

The Selected Papers are available from ERIC Document Reproduction Service (EDRS) in microfiche (MF) and hard copy (HC). They can be purchased directly from:

ERIC Documents Reproduction Service
LEASCO Systems and Research Corporation
P.O. Drawer O
Bethesda, Maryland 20012

Orders must include ED order numbers. Remittance must accompany orders totaling less than \$10.00. Domestic book or library postage rate is included in the price of the microfiche and hard copy. Prices will be adjusted if other postage is required.

Unpublished papers from CEC's Annual International Convention (40th, Columbus, Ohio, April 24-28, 1962).

ED 065 943 *Selected Convention Papers: 40th Annual CEC Convention* 232 pages, EDRS price MF \$0.65, HC \$9.87.

TABLE OF CONTENTS

Part I—General Sessions

TABLE OF CONTENTS

General Sessions

The Sword and the Spirit. Frances P. Connor, Teachers College, Columbia University. . . .	1
Stimulating Special Education through Federal Legislation. John E. Fogarty, United States Representative, Second Congressional District of Rhode Island.	8
The Handicaps and Gifts of Special Education. Archibald B. Shaw, American Association of School Administrators.	12
The Persistent Statement in the Real World. Louis M. Smith, Washington University. . . .	17
Pediatric Aspects of Special Education. Gerald Solomons, State University of Iowa.	27

International Aspects of Special Education

World Concern for the Handicapped Child. Morris Fishbein, M.D., Medical World News, Chicago, Illinois.	33
Cross-National Research in Special Education. John E. Jordan, Michigan State University. .	35

Administration

Inspection and Introspection of Supervision in Special Education. June P. England, Wayne County Intermediate School District, Michigan.	39
The Relationship between Supervision and Quality of Special Education as Measured by Evaluative Instruments: Needed Research. Robert A. Henderson, University of Illinois. . .	47

Auditory Impairment

Educational and Vocational Guidance of the Deaf. Stanford C. Blish, The Clarke School for the Deaf, Northampton, Massachusetts.	51
An Hebbian Approach to the Study of the Visual Perception of Deaf Children. George Brabner, Jr., Boston University Center for Exceptional Children.	56
Counseling the Deaf. William N. Craig, Oregon State School for the Deaf.	59
Rationale for Educating Hearing-Impaired Children in Programs Integrated with Regular Public Schools. Alice A. Kent, East Cleveland Board of Education.	62
Training Programs for Professional Workers with the Deaf. Edna S. Levine, New York University.	63
An Auditory Approach to the Education of Deaf Children. Daniel Ling, Montreal Oral School for the Deaf.	66

Visual Impairment

Effects of Experimental Teaching on the Visual Behavior of Children Educated as Though They Had No Vision. Natalie Carter Barraga, University of Texas.	70
Some Educational Characteristics of Partially Seeing Children. Barbara Bateman, Institute for Research on Exceptional Children, University of Illinois.	74
A Comparison of the Imaginative Productions of Congenitally Blind and Seeing Children to Structured Auditory Stimulation. Bernard Lax, Central State College, Edmond, Oklahoma.	83

Blind Children; Degree of Vision, Mode of Reading: A 1963 Replication. Carson Y. Nolan, American Printing House for the Blind, Louisville, Kentucky.	86
The Establishment of School and College Ability Norms for Blind Children in Grades 4, 5, and 6. Margaret Adelle Pearson, Northern Illinois University.	94
Problems, Practices, Progress in Teacher Training Programs for the Visually Handicapped. Evelyn Rex, Illinois State University.	96
Promoting Mental Health in Teachers. Matthew J. Trippe, George Peabody College for Teachers, Nashville, Tennessee.	103

Mental Retardation

Some Research Problems in Programed Instruction. Rudolph J. Capobianco, Johnstone Training and Research Center, Bordentown, New Jersey.	108
Programed Testing in the Retardate Testing Program. Herbert Gerjuoy, Educational Testing Service, Irma R. Gerjuoy and Rudolph J. Capobianco, Johnstone Training and Research Center.	113
Implications of an Unsuccessful Attempt of Language Therapy with Severe Retardates. Robert T. Fulton, Fort Wayne State School, Indiana.	120
The Training of Mentally Retarded Children with Sense Modality Disabilities. Gerald S. Hasterok, University of Florida.	128
Training of Visualizing Ability by the Kinesthetic Method of Teaching Reading. Esther Hirsch, Yeshiva University.	131
Role Playing and Discussion as Training Methods for Changing Role Definitions of Attendants for Institutionalized Mental Retardates. Floyd E. McDowell, District of Columbia Training School, Children's Center, Laurel, Maryland.	139
Comparison of Psycholinguistic Patterns of Gifted and Retarded Children. Max W. Mueller, George Peabody College for Teachers, Nashville.	143
Language Profiles of Mentally Retarded Children. Max W. Mueller, George Peabody College for Teachers, Nashville.	149

The Gifted

Curriculum Development for Gifted Elementary Students. Joseph Buzzeli, Bloomington Public Schools, Minnesota.	154
What State Departments of Education Can Do to Establish and to Improve Programs for Gifted Children and Youth. Paul D. Plowman, State Department of Education, Sacramento, California.	160
Early Admission to School for Selected Children. William J. Tisdall, Jack W. Birch, and W. David Barney, University of Pittsburgh.	163
The Governor's School of North Carolina: A Case Study in Curricular Designing for the Gifted. Virgil S. Ward, University of Virginia.	171

Speech, Language, and Communication

Laterality, Dominance, and Language. Daniel R. Boone, University of Kansas Medical Center.	179
Experimentation in a Speech and Language Program for the Mentally Handicapped Child. Myfanwy E. Chapman, Minneapolis Board of Education.	184
Implications of Research for Professional Education of Speech and Hearing Clinicians. Ruth Beckey Irwin, Ohio State University.	190
The Use and Usefulness of the ITPA. James J. McCarthy, University of Wisconsin.	195

Learning and Learning Disabilities

Maternal Verbal Factors in a Culturally Disadvantaged Population. LeRoy Aserlind, Jr., University of Wisconsin.	202
The Small Classroom—A Developmental Idiosyncratic Approach to Learning and Behavioral Disorders in Children of Normal Intelligence. Eleanor T. Kenney, The Miriam School, St. Louis, Missouri.	208
Pupil Mobility and its Relationship to Learning. James L. Lehman, South Redford School District, Detroit, Michigan.	217
A Method of Educational Diagnosis for the Brain Injured Child. Patricia Meyers, Louisiana State University.	230
Proactive and Retroactive Inhibition among Mentally Retarded Subjects. Richard C. Scheerenberger, American Association on Mental Deficiency.	233
Program Planning for Retarded Children with Psycholinguistic Abilities. Douglas E. Wiseman, University of Illinois.	241

Behavioral Disorders

The Effect of Immediate Feedback on Student Anxiety: A Case Study, an Hypothesis, and a Proposal for New Research. Peggie L. Campeau, American Institute for Research, Palo Alto, California.	253
Institution-School Liaison Procedures as an Aid to Re-Integration of the Disturbed Child. John L. Johnson, Michigan State University.	260
Some Factors and Sources of Conflict which Influence the Teacher's Role in the Psychiatric Setting. Melvyn P. Robbins, Loretto Hospital, Chicago, and Ronald B. Robbins, University of Missouri.	266
Recent Trends in Educating Emotionally Disturbed Children. Richard J. Whelan, University of Kansas Medical Center.	271

Rehabilitation

Vocational Rehabilitation Research in Collaborative Special Education and Rehabilitation Practices. Charles S. Nicholas, Vocational Rehabilitation Administration, U. S. Department of Health, Education and Welfare.	277
College Preparation for Curriculum Needs in Special Education Programs Promotion Rehabilitation. William J. Younie, Teachers College, Columbia University.	283

Unpublished papers from CEC's Annual International Convention (43rd, Portland, Oregon, April 20-24, 1965).

ED 061 698 *Selected Convention Papers: New Frontiers in Special Education*, 301 pages, EDRS price—MF \$0.65 HC \$13.16.

TABLE OF CONTENTS

General Sessions

Application of Operant Principles to the Teaching of Reading, Writing and Arithmetic to Retarded Children. Sidney W. Bijou, University of Washington, Seattle.	1
Education Delayed is Education Denied. Edith Green, United States Representative, Third Congressional District, Oregon.	6
Address of Senator Wayne Morse, United States Senator, State of Oregon.	11
Why and How. Harrie W. Selznick, Baltimore City Board of Education.	17
Looking Backward. William Sloan, Illinois State Department of Mental Health, Springfield.	26
The Impact and Challenge of Federal Assistance to Special Education. Morvin A. Wirtz, Division of Handicapped Children and Youth, US Office Health, Education, and Welfare, Washington, D.C..	40

Mental Retardation

A Cooperative School—Division of Vocational Rehabilitation Work Training Project. Willa M. Davis, Eleanor C. Ribbans, Devoe C. Rickert, School District No. 4, Eugene, Oregon.	44
Educational and Psychological Standards for Work-Study Programs for Secondary Mentally Retarded Pupils. Jack C. Dinger, The Slippery Rock State College, Pennsylvania.	50
Success as a Tool in the Habilitation of the Retarded Child. Norman H. Hermstad, Marin County Public Schools, San Rafael, California	54
Another Approach to Homogeneity in the Mentally Retarded. Esther Hirsch, Yeshiva University, New York.	57
Mental Retardation and the Culturally Disadvantaged. David E. Hunt, Syracuse University, New York.	60
The Influence of Verbal Statements Upon the Performance of Mentally Retarded Children. Richard K. Myers, Beaver County Public Schools, Pennsylvania, and Godfrey D. Stevens, University of Pittsburgh.	68
Programing the Development of Language Skills. Ruth Ann Davy O'Keefe, Institute of Educational Research, Washington, D.C..	74
Effects of a Training Program on the Productive Thinking of Educable Mental Retardates. Sue T. Rouse, University of South Carolina, Columbia.	78
Physical Fitness of Mentally Retarded Boys. Wayne L. Sengstock, University of North Carolina, Chapel Hill.	86
Off Campus Work Experience for the Educable Mentally Retarded. George E. Thanos, Ventura Union High School District, California.	92

Auditory Impairment

The Need for New Vocational-Technical Programs for the Deaf. E. B. Boatner, American School for the Deaf, West Hartford, Connecticut.	95
The Significance of Low Frequencies in Hearing Aids. Robert J. Briskey, Engineering and Research Division, Zenith Hearing Aid Corporation, Chicago, Illinois	99
Sequence in Teacher Education for Teachers of the Deaf. William N. Craig, Oregon College of Education, Monmouth, Oregon.	108

Services for the Hearing Handicapped and Their Parents. George W. Fellendorf, Alexander Graham Bell Association for the Deaf, Inc., Washington, D.C..	111
Monaural Versus Binaural Hearing Aids. C. P. Goetzinger, Kansas University School of Medicine, Kansas City.	115
Adult Education for the Deaf. Ray L. Jones, San Fernando Valley State College, Northridge, California.	121
The John Tracy Clinic Parent Education Program. Edgar L. Lowell, John Tracy Clinic, Los Angeles.	124
The Deaf in Industry. Norman H. Silver, Employee Relations Department, Tektronix, Inc., Beaverton, Oregon.	128
A New Approach to Educational and Vocational Guidance for the Deaf. E. Ross Stuckless, University of Pittsburgh.	131
The American Hearing Society. Harold N. Williams, Augusta Speech and Hearing Center, Georgia.	134
<i>International Aspects of Special Education</i>	
Opportunities for Teachers Abroad Sponsored by the Federal Government. Romaine P. Mackie, Office of Education, U. S. Department of Health, Education and Welfare, Washington, D.C..	136
Special Education in Canada: Programs, Issues, and Problems. W. J. McIntosh, North York Board of Education, Toronto, Ontario.	140
<i>Visual Impairment</i>	
Educational Program for Blind Children Who are Experientially Deprived or Retarded. Mary E. Rigby and Charles C. Woodcock, Oregon State School for the Blind, Salem.	143
<i>The Gifted</i>	
A.I.D. On the Provision of Enduring Programs for the Gifted. Ruth A. Martinson, California State College at Palos Verdes.	147
Toward Successful Teaching of the Gifted. Ruth A. Martinson, California State College at Palos Verdes, Jeanne Delr. Lehabra, California, and Jean Wiener, El Segundo, California.	150
A Theoretical Framework for Research in the Education of the Gifted. May V. Seagoe, University of California, Los Angeles.	156
Creative Thinking Abilities of Intellectually Superior Children in the Regular Grades. Robert M. Smith, University of Pittsburgh.	160
<i>Homebound and Hospitalized</i>	
Administrative Problems with the Changing Role of the Home and Hospital Teacher. Martin J. Dean and Richmond Barbour, San Diego City Schools, San Diego, California.	164
Planning Educational Programs at the Post-Elementary Level for Severely Crippled Children. Dorothy B. Carr, Los Angeles City Board of Education, California.	168
Role of the School Social Worker with Homebound Pregnant Girls. Dorothy Durham, Champaign Community Unit 4 Schools, Illinois.	171
Public Relations Relative to Doctors, Nurses and Hospital Personnel. June P. England, Wayne County Intermediate School District, Detroit, Michigan.	174
The Role of the Special Teacher in the Team Approach to the Education of School-Age Pregnant Girls. Gay B. Ernsberger, Los Angeles City School District.	176
A Team Approach to the Education of Homebound Pregnant Girls. Merle B. Karnes, Champaign Community Unit 4 Schools, Illinois.	179

Teaching Techniques for Educationally Handicapped Home and Hospitalized Children. Alice C. Thompson, California State College at Los Angeles.	182
---	-----

Learning Disabilities

Physiologic Considerations in Learning: The Tactual Mode. Robert P. Anderson, Texas Technological College, Lubbock, Texas.	186
Learning Disabilities and Pseudo Retardation. David L. Clarke and David Ellingson, Seattle Public Schools, Washington.	189
The Practical Application of an Integrated Perceptual Motor Program in a School for Children with Severe Learning Disabilities: A Preliminary Report. Belle Dubnoff, Dubnoff School for Educational Therapy, North Hollywood, California.	191
Conditions Related to Specific Reading Disability. Walter Hill, University of Oregon, Eugene.	196
Reading Disabilities Among Academically Talented, Average, and Slow Learning Pupils, Stanley Krippner, Maimonides Hospital of Brooklyn, and Claire Herald, Kent State University, Kent, Ohio.	205
California's Services to Children Who Are Educationally Handicapped. Don Mahler, California State Department of Education, Sacramento.	215
Recognition and Help for Today's Intelligent Specific Language Disability Children. Beth H. Slingerland, Renton Public Schools, Washington.	220
Interdisciplinary Management of Children with Learning and Behavior Problems: The Physician's Contribution. Kenneth Zike, Harbor General Hospital, Torrance, California.	227

Preschool Programs

Towards a Conceptualization of the Therapeutic Nursery School. Samuel J. Braun, National Institutes of Mental Health, Bethesda Maryland.	231
Family Treatment in a Therapeutic Nursery School. Iona Kaplan, Jack C. Westman, and Donald J. Carek, Children's Psychiatric Hospital, University of Michigan, Ann Arbor.	236
The Teacher in a Therapeutic Preschool Project. Marianne Cook, and Paul L. Doerring, The Merrill Palmer Institute, Detroit, Michigan.	240
Reinforcement Techniques in the Guidance of Normal Preschool Children. Florence R. Harris, University of Washington, Seattle.	244
The Murfreesboro Project--Cognitive Approaches to Culturally Disadvantaged Children, Rupert A. Klaus, Murfreesboro School District, Tennessee.	249

Teacher Education

Review of Recent Significant Research in Teacher Education. William R. Carriker, The Pennsylvania State University, University Park.	256
Where and How are Teachers of the Gifted Trained? The National Picture. Joseph L. French, The Pennsylvania State University.	259
Concepts of Teacher Proficiency from a Supervisor's Perspective. Hilda Jones, Granite School District, Salt Lake City, Utah.	264
An Inservice Program for Teachers Through Prescriptive Teaching. Laurence J. Peter, College of Education, University of British Columbia, Vancouver.	268

Behavioral Disorders

Behavior Classification of Emotionally Disturbed Children. Dan Davis, and Rue L. Cromwell, George Peabody College for Teachers, Nashville, Tennessee.	272
Patterns of Responsibility in Europe: Implications for Education in America. Paul W. Pennigroth, Southern Regional Education Board, Atlanta, Georgia.	275

Managing Behavior Through Learning. Edith P. Popenoe, Montgomery County Board of Education, Rockville, Maryland.	281
Reinforcement Procedures and the Modification of Deviant Child Behavior. Montrose Wolf, University of Arizona, Tucson.	289
<i>General</i>	
Religious Factors in Physical Disability and Rehabilitation. Jack E. Biersdorf, and John R. Johnson, Jr., Union Theological Seminary, New York.	293
The Guidance of Exceptional Children. John Curtis Gowan, San Fernando Valley State College, Northridge California.	297

Unpublished papers from CEC's Annual International Convention (44th, Toronto, Canada, April 17-24, 1966).

TABLE OF CONTENTS

Gifted

The Anatomy of Education for the Gifted. Paul R. Ackerman, Instructor in Special Education, Teachers College, Columbia University, New York, New York.	1
Objectives in Reading and Language Arts Instruction for the Gifted. Walter B. Barbe, Editor, Highlights for Children, Homestead, Pennsylvania.	5
Programed Instruction and the Intellectually Gifted; Experiments in Productive Thinking. Martin V. Covington, Associate Professor of Psychology, University of California, Berkeley, California.	9
The Right Kind of Programing for the Gifted. John Feldhusen, Professor of Education and Psychology, Purdue University, Lafayette, Indiana.	17
Employment Status and Characteristics of High School Dropouts of High Ability; Preliminary Report Number Three. Joseph L. French, Professor of Special Education and Educational Psychology, Pennsylvania State University, University Park, Pennsylvania.	22
The Implications of the Qualitative Assessment of Intelligence and Creativity. Ruth A. Martinson, Director of Teacher Education Programs, California State College, Palos Verdes, California.	30
Adjustment Problems of the Intellectually Gifted. James Twyford Mehorter, Associate Professor of Psychology, Montclair State College, Upper Montclair, New Jersey.	34
The Illinois Plan--A Strategy for Educational Change. William R. Rogge, Research Assistant Professor, University of Illinois, Urbana, Illinois.	36
A Research Institute's Approach to Giftedness. Ada Schermann, Lecturer, Institute of Child Study, University of Toronto, Toronto, Canada.	38
Self-Discovery Through Independent Study: A Project for Able but Underachieving High School Students. William Watson Purkey, Assistant Professor of Education, University of Florida, Gainesville, Florida.	41
Creativity in Early Life. (Abstract) Don C. Charles, Professor of Psychology, Iowa State University, Ames, Iowa.	43
Effects of Self-Directed Learning on Gifted Elementary School Children. (Abstract) Marvin J. Gold, Head, Training Program for Teachers of The Gifted, University of South Florida, Tampa, Florida.	43

Mental Retardation

The Application of Language and Communication Models in Programs for the Trainable Retarded. Barbara Bateman, Associate Professor of Education, DePaul University, Chicago, Illinois.	45
Ongoing Research Problems. Raymond S. Cottrell, Jr., Assistant Professor of Education, Ferkauf Graduate School of Education, Yeshiva University, New York, New York.	50
Heterogeneity--Implications for Research and Development. Herbert Goldstein, Department of Special Education, Ferkauf Graduate School of Education, Yeshiva University, New York, New York.	53
Implications for the Initiation of Work Programs in Local School Districts. Oliver L. Hudson, Teacher of Educable Retarded, Northridge Local Board of Education, Dayton, Ohio.	56

Mental Retardation Program of the National Institute of Mental Health. Floyd E. McDowell, National Institute of Mental Health, Bethesda, Maryland.	61
How to Organize for the Development of an Effective Curriculum for the Educable Mentally Retarded. Norman J. Niesen, Director, Division on Special Education, Cincinnati Public Schools, Cincinnati, Ohio.	65
Performance of Educable Mentally Handicapped Students of Differing Reading Ability on the ITPA. Gilbert Ragland, Coordinator of Special Education, East Carolina College, Greenville, North Carolina.	69
Communication Needs and Programs in the Field of Mental Retardation. R. C. Scheerenberger, Assistant Division Director of Mental Retardation, Illinois Department of Mental Health, Springfield, Illinois.	72
A Diagnostically Based Curriculum for Psychosocially Deprived Pre-school Mentally Retarded Children: Interim Report. Howard H. Spicker, Assistant Professor Department of Special Education, Indiana University, Bloomington, Indiana; Walter L. Hodges; Boyd R. McCandless.	75
A Comparison of Normal and Subnormal Subjects Using Visual Structured Categorization Tasks. William R. VanOsdol, Director of Special Education, Central State College, Edmond, Oklahoma.	81
Assessment: Beyond Psychometry. Bluma B. Weiner, Associate Professor of Education, Department of Special Education, Yeshiva University, New York, New York.	89
Curriculum Considerations in Programs for the Trainable Retarded: Application of Theoretical Models. Gloria F. Wolinsky, Assistant Professor of Education, Hunter College of the City University of New York, New York, New York.	93
Habilitation of Severely Retarded Children. (Abstract). J. S. Birnbrauer, Assistant Professor, University of North Carolina, Chapel Hill, North Carolina.	98
Strategies and Tactics in Supervising School Programs for the Mentally Retarded—Social Cue Interpretation of Retarded Adolescents. (Abstract) Ethel M. Leach, Director, Children's Rehabilitation Unit School, University of Kansas Medical Center, Kansas City, Kansas.	99
<i>Communication Disorders</i>	
Hearing Association of Neurologically Impaired Children. Jerome G. Alpiner, Director, Division of Communication Disorders, University of Denver, Denver, Colorado.	100
Critique on Current Auditory Training Equipment. Philip A. Bellefleur, Research Audiologist, The Clarke School for Deaf, Northampton, Massachusetts.	106
The Application of Behavioral Principles to the Modification of Language. Lyle L. Lloyd, Research Associate, Parsons Hospital, Parsons, Kansas; Joseph E. Spradlin, Coordinator of Research, University of Kansas, Parsons Hospital, Parsons, Kansas.	111
Longitudinal Study of Performance of Childhood Aphasics on Mental Ability Tests. Don W. McBride, Head, Psychology Department, Institute of Logopedics, Wichita, Kansas.	118
Counseling Parents of Preschool Hearing Impaired Children. Winifred Nies Northcott, Former Preschool Director, The Minneapolis Hearing Society, Minneapolis, Minnesota.	125
Generating Language Development Lessons from Theoretical Bases. James O. Smith, Associate Professor of Education, University of Kansas, Lawrence, Kansas.	131
Adjustment Problems of the Multiply Handicapped Deaf Child. Marcia R. Valente, Clinical Audiologist, St. Mary's School for the Deaf, Buffalo, New York.	134
The Syntactical Structures of Preschool Children from Contrasting Social Environments. Paul Weiner, Research Assistant, Center for Research on Language & Language Behavior, Ann Arbor, Michigan.	138
Assessment of Speech and Language in the Neurologically Impaired Child. (Abstract) Daniel R. Boone, Associate Professor, University of Kansas Medical Center, Kansas City, Kansas.	141

- Vocational Information for the Intellectually Slow Deaf Adult. Harlan D. Conkey, Associate Professor, Audiologist, Oregon College of Education, Monmouth, Oregon; L. Gerald Buchan, Psychologist, Fairview Hospital and Training Center, Salem, Oregon. 141

Behavioral Disorders

- Selection Procedures in Preparing Teachers for Emotionally Disturbed Children. Evelyn D. Adlerblum, Associate Professor of Education, New York University, New York, New York. 142
- An Operational Model for the Movement of the Emotionally Disturbed Child from Public School through a Day Treatment Facility and Return to Public School. Adrienne Ring, Supervisor of Elementary School, Children's Psychiatric Hospital Day Care Unit, Ann Arbor, Michigan. 147
- Improvement in the Adjustment and Behavior of Exceptional Children Resulting from a Summer Day Camp Experience. (Abstract) Lester Mann, Supervisor of Special Education, Superintendent of Schools Montgomery County, Morristown, Pennsylvania. 151
- A Conceptual Framework for Testing the Patterns of Behavior Employed by Parents for Engaging in the Changing Process of the Child (Abstract) Marjorie McQueen, Research Social Worker, Children's Research Center, University of Illinois, Urbana, Illinois. 152
- Behavior Observations of Grade One Pupils, 1966. (Abstract) June B. Pimm, Ottawa Public School Board, Ontario, Canada; Gordon McClure, Teacher of Emotionally Disturbed Children, Ottawa Public School Board, Ontario, Canada. 152
- Evaluation of Cognitive-Perceptual-Motor Deficits in Emotionally Handicapped Children. (Abstract) Eli Z. Rubin, Head, Division of Psychology, Lafayette Clinic, Detroit, Michigan. 152

Learning Disabilities

- Auditory and Visual Learning Related to ITPA Sensory Channels. Antje E. Cripe, Assistant Professor, University of Denver, Denver, Colorado; Betty Ann Wilson, Associate Professor, Purdue University, Lafayette, Indiana. 153
- Developmental Evaluation and the Institution of Remedial Programs for Children with Learning Difficulties. Marianne Frostig, Director, Marianne Frostig Center of Educational Therapy, Los Angeles, California. 156
- The Phoenix School Project—A Day Treatment Center for Residential Treatment Candidates. Herbert Grossman, Director Phoenix School, Jewish Board of Guardians, New York, New York; Henry Fishel, Caseworker, Phoenix School, Jewish Board of Guardians, New York, New York. 159
- Physical Education Therapy. Robert L. Kariger, Instructor in Physical Education, Long Beach Unified School District, Long Beach, California. 167
- Research Studies in Psycholinguistic Disabilities. Samuel A. Kirk, Director, Institute for Research on Exceptional Children, University of Illinois, Urbana; John McLeod, University of Illinois Urbana. 173
- The Relation Between Hand-Eye Preference and First Grade Reading: A Followup Study. Siegman Muehl, Director, Children's Reading Clinic, College of Education, University of Iowa, Iowa City; Maurine Fry, University of Iowa, Iowa City. 184
- Learning Disabilities—Who? (Abstract) Sam D. Clements, Associate Professor Department of Psychiatry and Pediatrics, University of Arkansas Medical Center, Little Rock. 188
- Early Identification of Children with Learning Disabilities. (Abstract) Norris G. Haring, Director, Experimental Educational Unit, Mental Retardation and Child Development Center, University of Washington, Seattle. 189
- Learning Disabilities—Why? (Abstract) Richard W. Outland, Chief, Bureau of Educationally Handicapped and Mentally Exceptional Children, California State Department of Education, Sacramento. 190

Visual Impairment

- Dynamic Programing for the Multiply Handicapped Blind Child. Sister M. Rose Imelda, Administrator, St. Joseph's School for the Blind, Jersey City, New Jersey. 192
- An Experimental Approach to the Treatment of Visually Impaired, Multihandicapped Children. (Abstract) Steven Mattis, Co-Director, NIMH Project: A Mental Health Center for the Disturbed Blind Children, Jewish Guild for the Blind, New York City 197

Preschool Programs

- Intellectual Development of Preschool Children. Dean S. Hage, Associate Professor of Education, Illinois State University, Normal 198
- Educational Programing for Preschool Children. (Abstract) Richard R. Ellis, Supervisor and Coordinator, New York Medical College, New York City 202
- Hearing Conservation Programs for Preschool Children. (Abstract) Courtney D. Osborn, Chief, Hearing and Speech Section, Division of Maternal and Child Health, Michigan Department of Health, Lansing 203

Administration

- Strategies and Tactics in the Supervision of the School Programs in Rural or Sparsely Settled Areas. James R. Galloway, Director, Special Education and Rehabilitation Program, Western Interstate Commission for Higher Education, Boulder 203
- A Continuum of Service--Every Administrator's Responsibility. James Greiner, Consultant, Physically Handicapped, Wayne County Intermediate School District, Detroit 206
- The Role of the Residential Institution in the Continuum of Service to Handicapped Children. John B. Maßer, Director, University of Michigan Hospital Schools, University of Michigan, Ann Arbor 211

Teacher Education

- Research Designs for Assessing Teacher Education Programs in Special Education. James B. Macdonald, Professor, Department of Curriculum Instruction, University of Wisconsin, Milwaukee 213
- Practicum Considerations for Training Teachers of Emotionally Disturbed Children. Alice C. Thompson, Associate Professor and Director, Learning and Behavior-Problems Project, California State College, Los Angeles 221

International Aspects of Special Education

- Special Education in the Netherlands. Wietse de Hoop, Associate Professor of Education, West Georgia College, Carrollton 226
- Programs for Exceptional Children in Hong Kong. Grace Lee, Teacher of Opportunity Class, Three Valleys Public School, Don Mills, Ontario 231
- Special Education in Sweden. Karin Lundstrom, Councillor of Education, National Board of Education, Stockholm 233
- Educational Programing for Blind in Kenya. Jason Mutugi, Student, York University, Toronto 235

General

- Findings from the Researches of the Interprofessional Research Commission on Pupil Personnel Services. Gordon P. Liddle, Director, Interprofessional Research Commission on Pupil Personnel Services, University of Maryland, College Park 238
- Role Perceptions of Administrators, Pupil Personnel Workers, and Teachers. John K. Fisher, Staff Associate, Interprofessional Research Commission on Pupil Personnel Services, University of Maryland, College Park 242

Education--Special or Not? Z. S. Phimister, Deputy Minister of Education, Ontario Department of Education, Toronto	245
A Crisis in Evaluation. Maynard C. Reynolds, President, The Council for Exceptional Children, Department of Special Education, University of Minnesota, Minneapolis	251

Unpublished papers from CEC's Annual International Convention (45th, St. Louis, Missouri, March 26-April 1, 1967).

ED 061 700 *Selected Convention Papers: 45th Annual International CEC Convention*, 294 pages, EDRS price MF-\$0.65 HC-\$9.87.

TABLE OF CONTENTS

The Gifted

The Georgia Governor's Honors Program. Margaret O. Bynum, Consultant, Area of the Gifted, Division for Exceptional Children, Georgia State Department of Education, Atlanta	1
Personality Characteristics of High School Dropouts of High Ability. Bartell W. Cardon, Assistant Professor of School Psychology, Pennsylvania State University, University Park	4
The Louisiana Governor's Program for Gifted Children: Teaching in a Summer Honors Program for Gifted Children. George Middleton, Director, Governor's Program for Gifted Children, McNeese State College, Lake Charles, Louisiana	10
The Total Development Concept: A New Approach to Seeking State Legislation for the Gifted. Mary M. Pilch, Consultant for the Gifted, State Department of Education, St. Paul, Minnesota	16
The Relationship between Self Concept and Creative Thinking of Elementary School Children: An Experimental Investigation. Dorothy A. Sisk, Assistant Professor of Education, University of South Florida, Tampa	20
An Interstate Cooperative Approach to Facilitate State Legislation for the Gifted. William G. Vassar, Consultant for Gifted and Talented, Connecticut State Department of Education, Hartford	31
Program Evaluation in Differential Education for the Gifted: Myth and Reality.	
I. Words and Action in the Evaluation of Programs for the Gifted. Virgil S. Ward, Chairman, Department of Educational Foundations, University of Virginia, Charlottesville	36
II. Designing an Instrument for Evaluating Programs of Differential Education for the Gifted. Joseph S. Renzulli, Assistant Professor, School of Education, University of Connecticut, Storrs	37
III. Critiques from Field Tests of Evaluation Scales for Differential Education for the Gifted.	
Critique One (abridged). Eugene Burnette, Director, Section for the Education of Exceptionally Talented Children, North Carolina Department of Public Instruction, Raleigh	42
Critique Two (abridged). Robert Kelley, Supervisor, Education for the Gifted, New York State Department of Education, Albany	43
Critique Three (abridged). Paul D. Plowman, Co-Director, California Project Talent, California State Department of Education, Sacramento	45
Critique Four (summarized). William M. Rogge, Vice President, Cooperative Educational Research Laboratory, Inc., Northfield, Illinois	47
Successful Teachers of Gifted High School Students. (Abstract) William E. Bishop, Assistant Professor of Education, Indiana Central College, Indianapolis	47
The Application of Game Theory in Teaching the Gifted. (Abstract) Barbara Hauck, Assistant Professor of Education, University of Washington, Seattle	48
Project Self Discovery. (Abstract) William Watson Purkey, Sr., Assistant Professor, Psychological Foundations of Education, College of Education, University of Florida, Gainesville	49

Behavioral Disorders

The Transition from the Animal Laboratory to the Clinic. Charles B. Ferster, Principal Investigator, Institute for Behavior Research, Silver Spring, Maryland	52
Discussion of C. B. Ferster's Paper. J. L. Cameron, Washington School of Psychiatry, Washington, D.C.	55

Sexual Identification of Father Separated Emotionally Disturbed Boys. Mary Denise Cleary, Teacher of the Emotionally Disturbed Lexington Public Schools, Massachusetts	58
The Teacher Views the Use of Operant Conditioning Methods. Glenna Sipple, Special Education Teacher, Portage Public Schools, Michigan	63
<i>Hearing Impairment</i>	
The Effect of Social Reinforcement on Deaf Children's Performance in Autoinstructional Programing. Donavon McClard, Assistant Professor of Education, San Diego State College, California	66
Home Management in a Comprehensive Preschool Program. (Abstract) Donald R. Calvert, Executive Director, San Francisco Hearing and Speech Center, California	72
<i>Visual Impairment</i>	
The Improvement of Listening Comprehension in Partially Sighted Students. Robert W. Bischoff, Teacher of Visually Handicapped, Tacoma Public School District Number 10, Washington	73
The Adjustment of Partially Seeing Children and its Relationship to Visual Acuity. (Summary of Findings) Ralph L. Peabody, Coordinator, Education of the Visually Handicapped, University of Pittsburgh, Pennsylvania	79
Organizational Plans for Partially Seeing Children in Grades 5 and 6. (Summary of Findings) Thomas M. Stephens, Associate Professor of Special Education, University of Pittsburgh, Pennsylvania	80
<i>Learning Disabilities</i>	
Evaluation: A Diagnostic Remedial Approach. Sister Joanne Marie Kliebhan, Instructor, Special Education Department, Cardinal Stritch College, Milwaukee, Wisconsin	82
The Teacher of Learning Disabilities as California Views Him. Donald Mahler, Chief, Bureau for Educationally Handicapped and Mentally Exceptional Children, California State Department of Education, Sacramento	89
Studies on the Hyperactive Child IX: An Empirical Analysis of the Syndrome of Minimal Brain Dysfunction. (Abstract) John S. Werry, Research Child Psychiatrist, Children's Research Center, University of Illinois, Urbana.	92
<i>Mental Retardation</i>	
Proposed Indiana Program for Secondary School Students with Special Educational Needs. Leslie Brinegar, Director, Special Education, Indiana State Department of Public Instruction, Indianapolis	94
Administrative Challenges in Special Education: The Relationship of Vocational Outlook and Special Educational Programs for the Adolescent Educable Mentally Handicapped. Philip R. Jones, Director of Special Services, Champaign Community Unit Schools, Illinois	99
Teaching the Social Studies Unit. Laura J. Jordan, Associate Professor of Special Education, University of Illinois, Urbana	111
Academic Achievement of Brain Injured and Hyperactive Children in Isolation. Kim J. Rost, Psychologist, Boone County, Board of Education, Iowa; Don C. Charles, Professor of Psychology, Iowa State University, Ames	120
A Comparison of the Social Development of Normal and Retarded Children in a Rural Community. Edward W. Sontag, Teacher of Educable Retarded Students, Second Supervisory District, BOCES, North Collins, New York	124
Facilitation of Memory in the Retardate. Glenn A. Vergason, Professor of Special Education, Georgia State College, Atlanta	128
The Effects of a Special Help Program on Mentally Retarded and Slow Learning Children. Lawrence H. Weiner, Director, Special Education, Barrington Public Schools, Rhode Island	135

The Disadvantaged

A Pilot Study of the Cant of the Negro Disadvantaged Student in Four Secondary Schools for Socially Maladjusted and Emotionally Disturbed. Herbert L. Foster, Assistant Principal, New York City Board of Education, New York	139
A Method Emphasizing Sensory-Perceptual and Language Training for the Young Preschooler. Freeman McConnell, Director, The Bill Wilkerson Hearing and Speech Center, Nashville, Tennessee	143
Training Subprofessionals for Classroom Work with Disadvantaged Children. Carol L. Rubow, Training Assistant, Peabody Demonstration and Research Center for Early Education, George Peabody College, Nashville, Tennessee	150
The Effectiveness of a Language Development Program for Disadvantaged Children: Interim Report. Keith E. Stearns, Assistant Professor, Department of Special Education, Indiana University, Bloomington	155
Preliminary Results from a Longitudinal Study of Disadvantaged Preschool Children. David P. Weikart, Director, Special Education, Ypsilanti Public Schools, Michigan	161

Homebound and Hospitalized

Instructional Aids for Foreign Language Teachers of Hospitalized and Homebound Students. Pat Castle, Foreign Language Supervisor, NDEA Title III, Department of Public Instruction, Springfield, Illinois	171
The Homebound Teacher as Coordinator. Kathryn E. Lilliston, Instructor, Homebound, Hospitalized, Physically Limited, Shawnee Mission High School District, Kansas	178
Home and Hospital Instruction: The Teacher-Audiovisual Aids-The Student. Jack K. Robertson, Assistant Director, NDEA Title III, English and Reading, Department of Public Instruction, Springfield, Illinois	185

International Aspects of Special Education

New Developments in International Organizations in the Field of Mental Retardation. Rosemary F. Dybwad, Secretary, Joint Commission on International Aspects in Mental Retardation, Geneva, Switzerland	191
Teaching in England in a Hospital Setting. Charlotte McPherson, Former Head Mistress, Royal National Orthopaedic Hospital School, London Borough of Harrow, Stanmore, Middlesex, England	195
Programs for the Educable Mentally Retarded in Ecuador. Robert J. Prince, Doctoral Candidate, University of Pittsburgh, Pennsylvania	199

Teacher Education

Graduate Education: The Relationship of Means to Ends. Robert H. Bruininks, Advanced Graduate Student, George Peabody College for Teachers, Nashville, Tennessee	204
Faculty-Student Relationships in Graduate Education. Alexander L. Craig, Graduate Student, Syracuse University, New York	207
Game Theory Used as a Model for the Assessment of Graduate Student-Faculty Roles. Robert W. Heiny, USOE Graduate Fellow, Institute for Research on Exceptional Children, University of Illinois, Urbana	212
Doctoral Training in Special Education: A Survey of Practices. Francis E. Lord, Director of Special Education Center, California State College, Los Angeles	219
Preparation of Speech and Language Clinicians: The View of the School Clinician. (Abstract) Gloria L. Engnoth, Supervisor, Communicative Disorders, Department of Special Education, Baltimore County Schools, Towson, Maryland	225

Information Services

- A State Repository. Gloria Calovini, Supervisor, Educational Materials, Coordinating Unit for Visually Handicapped, Department of Public Instruction, Springfield, Illinois 227
- The Role of Regional Education Laboratories as they Relate to Research and Demonstration in Special Education. Benjamin Carmichael, Director, Appalachia Educational Laboratory, Inc., Charleston, West Virginia 228
- The Cooperative Educational Research Laboratory and Its Relation to Exceptional Children. David Jackson, Director, Cooperative Education Regional Laboratory, St. Louis, Missouri 230
- Regional Educational Instructional Materials Centers: The Role of the US Office of Education. George M. Olshin, Research Coordinator, Division of Research, Bureau of Education for the Handicapped, US Office of Education 232
- An Educational Laboratory in Central Midwest: Changes Faced by Educational Laboratories & Programs Related to Exceptional Children. Faye H. Starr, Central Midwestern Regional Education Laboratory, Inc. St. Louis, Missouri 236
- Teachers View Special Education Instructional Materials Centers. William R. Zbinden, USOE Graduate Fellow, University of Illinois, Urbana 241
- Instructional Materials for the Visually Handicapped. (Abstract) Carl W. Lappin, Director, Instructional Materials Reference Center for the Visually Handicapped, American Printing House for the Blind, Louisville, Kentucky 243

Administration

- Preparation for State Leadership Roles. Kenneth R. Blessing, Coordinator of Special Education, Bureau for Handicapped Children, Wisconsin State Department of Public Instruction, Madison 245
- Designing a College Program in Special Education Administration. Charles E. Henley, Assistant Professor, College of Education, Michigan State University, East Lansing 253
- Cooperative Programs Jointly Supervised by School and Community Agencies. Helen B. Jacoby, Supervisor, Special Education, Fairfax County School Board, Virginia 259

General

- Legislative Aspects of Special Education. The Honorable Hugh L. Carey, Ad Hoc Subcommittee on the Handicapped, United States House of Representatives, Washington, D.C. 264
- Introduction: Theoretical Background for Self Concept of Academic Ability Studies with Exceptional Children. Edsel L. Erickson, Assistant Professor of Education and Sociology, Western Michigan University, Kalamazoo; Wilbur B. Brookover, Director, Social Science Teaching Institute, Michigan State University, East Lansing; Lee M. Joiner, Program Coordinator, Educational Psychology, Hofstra University, Hempstead, New York; Richard Towne, Associate Professor of Special Education, State University of New York, College at Buffalo 266
- Impressions of the Pan-Pacific Rehabilitation Conference. Romaine P. Mackie, Chief, Education of Handicapped in Low Income Areas, US Office of Education, Department of Health, Education, and Welfare, Washington, D.C. 270
- Alternatives and Extensions to the Operant. Douglas A. Quirk, Senior Psychologist, Ontario Hospital, Toronto, Canada 274
- The Dynamics of the Intellect: A Working Hypothesis for Educators. (Abstract) J. Richard Suchman, Visiting Associate. Science Research Associates, Palo Alto, California 281

Unpublished papers from CEC's Annual International Convention (46th, New York, New York, April 14-20, 1968).

ED 061 701 *Selected Convention Papers: 46th Annual International CEC Convention*, 358 pages, EDRS price MF-\$0.65 HC \$13.16

TABLE OF CONTENTS

The Gifted

Differential Education for the Gifted: Theoretical Principles. Virgil S. Ward, Professor of Education, University of Virginia, Charlottesville	1
Program Evaluation in the Perspective of Theory. Joseph S. Renzulli, Assistant Professor of Educational Psychology, University of Connecticut, Storrs	6
Systematic Applications of Theory in Curricular Development. Louise Ann Schifferli, DuPont Fellow, Education, University of Virginia, Charlottesville	11
Teacher-Pupil Interaction Patterns in Classes for the Gifted: The Products of Facilitating Versus Inhibiting Teaching Practices. Fred K. Honigman, Visiting Research Associate, The Franklin Institute Research Laboratories, Philadelphia, Pennsylvania	14
Developing the Potential of the Culturally Disadvantaged Infant. Genevieve Painter, Assistant Professor, Department of Special Education, University of Illinois, Urbana	22
The Gifted Child with Specific Learning Disabilities (Abstract). Edward C. Frierson, Associate Professor, Department of Special Education, George Peabody College, Nashville, Tennessee	29
The Disadvantaged Gifted Child (Abstract). William J. Tisdall, Director, The Lincoln School, College of Education, University of Kentucky, Lexington	31
Patterns of Research on the Gifted (Abstract). Marvin J. Gold, Director, Institute III: Exceptional Children and Adults, University of South Florida, Tampa	31
A Report on a Study of Educational Programs for Gifted Children in Selected Elementary Schools in the United States (Abstract). William G. Melville, Elementary School Teacher, Wichita Public Schools, Kansas	34

Behavior Disorders

Aggression as an Indicator of Outcome—Is it Always a Bad Sign? Herbert Grossman, Assistant Professor, Center for Special Education, Hofstra University, Hempstead, New York	36
Problems and Issues in Educating the Juvenile Offender (Abstract). Garland Wollard, Director of Education, Department of Justice, Federal Prison Industries, Washington, D.C.	41
Differential Low-Rate Conditioning of Destructive Behavior. Christine Walken, Graduate Research Assistant, School of Education, University of Oregon, Eugene	42
Non-Directive Therapy—A Modification. Robert V. Turner, Assistant Director of Research and Development, Richmond Public Schools, Virginia	50
Special Education for the Addicted Student (Abstract). Herbert Rusalem, Associate Professor of Education, Hunter College of the City University, New York, New York	58
Piaget, Skinner, and an Intensive Preschool Program for Lower Class Children and Their Mothers. Norma Radin, Research Coordinator, Early Education Program, Ypsilanti Public Schools, Michigan	59
Research on Teacher Characteristics (Abstract). John F. Mesinger, Associate Professor, Education, University of Virginia, Charlottesville	68
Behavior Management Techniques. Roger Kroth, Instructor of Education, Children's Rehabilitation Unit, University of Kansas Medical Center, Kansas City	69

Self-Concept Research: Definition Problems with a Common Language Construct. Lee M. Joiner, Associate Professor of Special Education, South Illinois University, Carbondale, Illinois; Edsel L. Erickson, Associate Professor of Sociology, Western Michigan University, Kalamazoo; and Richard C. Towne, Professor of Special Education, State University of New York; College at Buffalo	76
Psychodynamic Management Techniques. Henry D. Fishel, Mental Health Coordinator of the Neighborhood Maternity Center, Lincoln Hospital, Mental Health Services of Albert Einstein College of Medicine, New York	82
A Case of Desensitization and Tutoring Therapy (Abstract). Daryll D. Bauer, Jr., Assistant Professor, Radford College, Radford, Virginia	84
<i>Visually Handicapped</i>	
A Dynamic Curriculum for Teachers of the Visually Handicapped. Evelyn J. Rex, Assistant Professor of Education, Illinois State University, Normal	86
Multiply Impaired Blind Children: A National Problem (Abstract). Milton D. Graham, Director, Department of Research, American Foundation for the Blind, New York, New York	92
College Preparatory Program for Visually Impaired Students. Walter C. Fitzgibbon, Coordinator, Program for Mental Retardation, Western Carolina University, Cullowhee, North Carolina	92
Rehabilitation and Prevocational Planning for Visually Handicapped Youth. Mary K. Bauman, Director, Personnel Research Center, Philadelphia, Pennsylvania.	96
The Organization, Cooperation and Coordination of State Programs for Visually Handicapped Children (Abstract). Robert D. Cain, Assistant Superintendent, State of Illinois, Office of Public Instruction, Springfield	100
Organization, Cooperation, and Coordination of Programs for Visually Handicapped Children in New Jersey. Vahram Kashmanian Assistant Director of Educational Services, New Jersey Commission for the Blind, Newark	100
Preparation of Teachers for Multi-Handicapped Children (Abstract). Philip H. Hatlen, Associate Professor of Education, Department of Special Education, San Francisco State College, California	105
The Added Dimension to Teacher Education. Clarice E. Manshardt, Associate Professor, California State College, Los Angeles	106
Sensory Aids: Research and Development Trends and the Question of Translation into Practice. Leslie L. Clark, Director, International Research Information Service, American Foundation for the Blind, New York, New York	110
<i>Special</i>	
The Design Process in Special Education Facility Planning. Alan Abeson, Project Coordinator, Physical Environment and Special Education, Council for Exceptional Children, National Education Association, Washington, D.C.	131
Garland Junior College's Program on the Exceptional Child (Abstract). Vera C. Weisz, Director of Training Aids Program, Garland Junior College, Boston, Massachusetts	134
<i>Homebound and Hospitalized</i>	
The Special Children's Center—A Rural Area, Community Sponsored Multidisciplinary Day Program for the Cerebral Palsied and Multiply Handicapped. Frances G. Berko, Executive Director, The Special Children's Center, Ithaca, New York	136
<i>Learning Disabilities</i>	
Learning Disabilities: Working with Teachers and Parents in Rural Areas. Emily B. Sheldon, Program Director, Vermont Association for the Crippled, Rutland	143

- The Relationship Between Twenty-three Learning Disability Behavioral Variables. Donald A. Sabatino, Associate Professor, School of Education, Catholic University, Washington, D.C.; assisted by R. L. Jones, Curtiss Brown and Wm. Gibson 149

International Aspects of Special Education

- The Education of Emotionally Disturbed Children in Seven European Countries Studied in the Summer of 1967. Joan E. Bowers, Provincial Supervisor, Special Education, Ontario Department of Education, Toronto, Canada 162
- Special Programs for Exceptional Children in France. Gertrude G. Justison, Associate Professor of Education, Howard University, Washington, D.C. 165
- A Survey of the Education of the Mentally Retarded Child in Ten European Countries (Abstract). Jason W. McCallum, Director of Psychological Services, York South Regional Education Committee, Richmond Hill, Ontario 170
- Special Education in England. Ronald Gulliford, Professor of Education, University of Birmingham, England 171

General

- An Evaluation of Some Instructional Materials Used in a Classroom for Behaviorally Disturbed Children. Christine Walken, Graduate Research Assistant, School of Education, University of Oregon, Eugene 176
- The Laboratory Method of Psychodiagnosis of Exceptional Children (Abstract). Luciano L'Abate, Professor of Psychology, Georgia State College, Atlanta 180
- Stimulating Speech in the Educationally Deprived. Don G. Sandy, Assistant Professor, Director of Speech and Hearing Clinic, School of Education, Boston University, Massachusetts 180

Administration

- The Cooperative Special Education Program. Richard J. Kothera, Superintendent of Schools, Roesland School District 92, Shawnee Mission, Kansas 187
- The SEATS Game: An Experimental Instrument. Daniel D. Sage, Assistant Professor of Special Education, Division of Special Education and Rehabilitation, School of Education, Syracuse University, New York 194
- A Comprehensive Evaluation, Therapy and Academic Training Program for Handicapped Children in a Sparsely Populated State. Everett D. Peery, Coordinator-Director, Montana Center for Handicapped Children, Eastern Montana College, Billings 203
- A Criterion of Administrative Problems (Abstract). Richard J. Kothera, Superintendent of Schools, Roesland School District 92, Shawnee Mission, Kansas 205

Communication Disorders

- The Expectations of the Educator of the Deaf for Audiological and Psychological Services to the Young Deaf Child. Doin E. Hicks, Associate Director and Head, Educational Division, Callier Hearing and Speech Center, Dallas, Texas 206
- Stuttering Therapy: Questions and Answers. Frank J. Falck, Director, Center for Disorders of Communication, Associate Professor, College of Medicine, University of Vermont, Burlington 217
- The Employment Environment (Abstract). Stanley Ainsworth, Distinguished Professor of Speech Correction, University of Georgia, Athens 215
- The Deaf Child's Knowledge of Words. Toby R. Silverman, Research Associate, Research Department, Lexington School for the Deaf, Jackson Heights, New York 216
- The Speech Clinician: His Personal Qualifications (Abstract). Phyllis Gildston, Associate Professor of Speech Pathology and Audiology, Brooklyn College of the City University of New York, New York; and Harold Gildston, Post College, Long Island University, Brooklyn, New York 218

Panel: Communication Disorders: A Longitudinal Study: Scene IV: Primary Years. Vilma T. Falck, Associate Director, Center for Disorders of Communication, University of Vermont, Burlington	219
A Comparative Study of the Traditional and Modality Treatment Approaches to Articulation Therapy. Anne Welch Carroll, Associate Professor, Special Education, School of Education, University of Denver, Colorado	226
<i>Mental Retardation</i>	
Translating Research Findings into Classroom Action. Chester Loomis, Supervisor, Programs for Secondary Retarded, Detroit Public Schools, Michigan	233
A Pilot Study of Camping for the Mentally Retarded (Abstract). Barbara Bateman, Associate Professor, School of Education, University of Oregon, Eugene	242
Developing Learning Abilities Through Sight, Sound, and Symbol (Abstract). Richard Weber, Associate Professor of Education, Trenton State College, New Jersey	243
Designing a Rehabilitative Culture for Moderately Retarded, Adolescent Girls (Abstract). James R. Lent, Research Psychologist, Judith LeBlanc, and Joseph E. Spradlin, Bureau of Child Research, University of Kansas, and Parsons State Hospital and Training Center, Kansas	245
Remediation of Psycholinguistic Disabilities of Mentally Retarded Emotionally Disturbed Children: A Comparison of Two Approaches (Abstract). Joseph G. Minskoff, Assistant Professor of Educational Psychology, School of Education, New York University, New York	245
Meeting the Needs of Parents-Milieu Therapy (Abstract). Bethel Lemmerman, Family Home Consultant, Broadmoor School for Retarded Children, Mentor, Ohio.	246
Developing Teacher Produced Instructional Materials-Part I (Abstract). Wayne D. Lance, Director, Northwest SEIMC, Associate Professor of Education, University of Oregon, Eugene	246
Instructional Aids for Language Development in the Trainable Program Five to 20 (Abstract). Susie Griffin, Trainable Program Teacher, Detroit, Michigan	247
A Centralized Facility for the Mentally Retarded: Five Points in Favor (Abstract). James Q. Affleck, Assistant Professor, College of Education, University of Washington, Seattle	249
A Public School Program of Integration (Abstract). Kathy Lawrence, Teacher, Intermediate Educable Mentally Retarded, Sayreville, New Jersey	249
Audiovisual Instruction Techniques in the Educable Mentally Retarded Classroom (Abstract) Steve A. Brannan, Program Director, Mental Retardation, Portland State College, Oregon	250
Organization of Camping Programs for the Mentally Retarded. Robert A. Sternberg, Director, Camp Jimmy, Randallstown, Maryland	251
Self-Concept of Ability as a Worker: A Measurement Device for Use with EMR Adolescents. Donald A. Burke, Associate Professor of Special Education, College of Education, Michigan State University, East Lansing; and Donald F. Sellin, Director, Mental Retardation Implementation Project, Michigan Department of Public Health, Lansing.	253
PDK Good Practices Conference for Teachers of the Mentally Retarded: An Innovation in "Inservice Training" (Abstract). Alexander L. Britton, Coordinator, Special Education Programs, California State College at Long Beach	260
An Investigation of the Doman-Delacato Theory of Neuropsychology as it Applies to Trainable Mentally Retarded Children in Public Schools. John R. Kershner, Doctoral Candidate, Ontario Institute for Studies in Education, University of Toronto	261

Segregation and its Issues (Abstract). Oliver L. Hurley, Assistant Professor and Mental Retardation Program Director, Department of Special Education, Graduate School of Humanities and Social Sciences, Yeshiva University, New York, New York	264
The Problems of Sex Education for the Educable Mental Retardate in the Day School. Sadie M. Douglass, Special Education Specialist, Baltimore City Public Schools, Maryland	264
Helping Parents Through Individual Conferences and Written Reports (Abstracts). Sister M. Evodia, Teacher, Educable Mentally Retarded Children, House of Charity, Diocese of Camden, New Jersey	269
<i>Research</i>	
An Input Output Approach to Psychodiagnosis of Children. Luciano L'Abate, Professor of Psychology, Georgia State College, Atlanta	271
Testing Attitudes Toward Physical Handicap, Stereotyping and Objectivity in a Partially Integrated Elementary Program (Abstract). Eugenia G. Baker, Assistant Professor, Department of Special Education, University of Southern California, Los Angeles	280
The Influence of Cortical and Subcortical Lesions on the Mediation of Sustained Attention in Children (Abstract). Peter A. Campanelli, Chief, Special Education Section, Pupil Personnel Service, Division of Education, Bureau of Indian Affairs, US Department of the Interior, Washington, D.C.	281
Influences of an Advance Organizer on Learning and Retention of Meaningful Verbal Materials for Educable Mentally Retarded and Intellectually Normal Children (Abstract). John T. Neisworth, Assistant Professor, University of Delaware, Newark; Robert M. Smith, Associate Professor of Special Education, Pennsylvania State University, University Park; and Stanley L. Deno, University of Delaware, Newark	282
A Comparative Study of Selected Expressed Attitudes, Concepts and Interests of Retarded Adolescents (Abstract). Stanley A. Winters, Professor, Queens College, City University of New York, New York	284
Child Rearing Attitudes of Mothers of Emotionally Disturbed Children. Anthony J. LaPray, Assistant Professor of Educational Psychology, Brigham Young University; and Lester N. Downing, Brigham Young University, Provo, Utah	285
A Method of Observing Classroom Behavior of Emotionally Disturbed Children (Abstract). John S. Werry, Research Child Psychiatrist, Children's Research Center, University of Illinois; and Herbert C. Quay, Research Director, Children's Research Center, University of Illinois, Champaign	290
Development and Evaluation of Autoinstructional Programs in Arithmetic for the Mentally Handicapped (Abstract). Conwell Higgins, Director, Learning Research Center, Albany Public Schools, New York	291
The Performance of Good and Poor Braille Readers on Certain Tests Involving Tactual Perception (Abstract). Lawrence H. Weiner, Director of Special Education, Barrington Public Schools, Rhode Island	293
A Study in the Use of Programed Instruction in Teaching Addition and Subtraction to Intermediate Level Educable Mentally Retarded Pupils (Abstract). Gordon F. Johnson, Assistant Professor, Department of Advanced Studies, School of Education, Fresno State College, California	294
"Spontaneous" Improvement in Emotionally Disturbed Children. John P. Glavin, Research Assistant Professor of Special Education, Children's Research Center, University of Illinois, Champaign	295
The Experimental Analysis of Vocational Behavior in Severely Retarded Males (Abstract). James E. Crosson, Associate Director of Research, Research and Training Center in Mental Retardation, School of Education, University of Oregon, Eugene	305

Teacher Education

- Teacher Education: Rationale Versus Reality, A Student Point of View. Joellyn N. Rose, Senior Trainee Scholarship Recipient, Wyoming Public Schools, Wyoming, Michigan . . . 306
- The Teacher Learning Processes in Observation Seminars (Abstract). Thomas M. Shea, Assistant Professor of Special Education, Department of Special Education, Southern Illinois University, Carbondale . . . 310
- Integrating Theory and Practice in Teacher Education Curriculums. Joseph J. Eisenbach, Professor, Department of Special Education, Western Michigan University, Kalamazoo . . . 311
- The Field-Conference: An Experiment in Practicum for Teacher Educators (Abstract). James M. Crowner, Professor and Chairman, Department of Special Education, Southern Illinois University, Carbondale . . . 313

General Sessions

- Prospects for Adventure in Special Education. James J. Gallagher, Associate Commissioner, Bureau of Education for the Handicapped, US Office of Education, Washington, D.C. . . 315
- Address to the First General Session of the 46th Annual Convention of the Council for Exceptional Children. Samuel A. Kirk, Professor, Department of Special Education, University of Arizona, Tucson . . . 320
- Reflections on the Year 2000. Leo E. Connor, president, The Council for Exceptional Children, and Superintendent, Lexington School for the Deaf, Jackson Heights, New York . . . 324
- President's Dinner Address. The Honorable Jacob Javits, United States Senator, New York . . 332
- How Special Can Special Education Become? Elizabeth Koontz, President Elect, the National Education Association, Washington, D.C. . . 337
- Reflections on the New Educational Technology. Francis Keppell, Chairman of the Board of General Learning Corporation, New York, New York . . . 341
- Reactions to Keppell's "Reflections on the New Educational Technology." Lloyd M. Dunn, Director, Research Institute on Retarded Intellectual Development, George Peabody College, Nashville, Tennessee . . . 345

Unpublished papers from CEC's Annual International Convention (47th, Denver, Colorado, April 6-12, 1969).

ED 041 437 *Proceedings of the Annual International Convention of the Council for Exceptional Children*. 536 pages; EDRS price MF \$0.65, HC \$16.45.

ED 041 438 *Learning Disabilities*. 60 pages; EDRS price MF \$0.65, HC \$3.29.

ED 041 439 *The Gifted*. 36 pages; EDRS price MF \$0.65, HC \$3.29.

(Documents ED 041 438 *Learning Disabilities* and ED 041 439 *The Gifted* are included in ED 041 437)

TABLE OF CONTENTS

Gifted

A Creativity Score for the Stanford-Binet and its Applications. Catherine Bruch, Assistant Professor of Educational Psychology, University of Georgia, Athens	1
Effects of Classroom Anxiety on Creativity (Abstract). Don J. Hadley, School Psychologist, Livonia Michigan Board of Education, Plymouth	4
A Followup of Sixth Grade Regular and Special Class Gifted (Abstract). Roy H. Schreffler, Associate Professor of Special Education, Clarion State College, Pennsylvania	4
A Holistic Conception of Creativity and its Relationship to Intelligence (Abstract). Webster R. Callaway, Assistant Professor of Education, University of California, Los Angeles	6
Measuring Perceptual Motor Ability in Preschool Children (Abstract). William Meyer, Director, Syracuse Center for Research and Development in Early Childhood Education, Syracuse University, Syracuse, New York	8
Operation Astra: A Curricular Quest in Differential Education for the Gifted (Abstract). Virgil S. Ward, Professor of Education, University of Virginia, Charlottesville; Joseph S. Renzulli, Assistant Professor of Educational Psychology, School of Education, University of Connecticut, Storrs	9
Performance Based Instruction: Implications for Program Operation and Personnel Development. William T. Ward, Chairman, Education Department, Macalester College, St. Paul, Minnesota; H. Del Schalock, Research Professor, Teaching Research Division, Oregon State System of Higher Education, Monmouth, Oregon	10
Strategies for Maximizing the Development of Talent among the Urban Disadvantaged. Joseph H. Douglass, Staff Director, The 1970 White House Conference on Children and Youth, US Department of Health, Education, and Welfare, Washington, D.C.	20
Talent Potential Among the Disadvantaged: The Problem in Perspective. Joseph S. Renzulli, III, Assistant Professor of Educational Psychology, Department of Educational Psychology, University of Connecticut, Storrs	29

Behavioral Disorders

Administration Considerations in Diagnostic Teaching (Abstract). Douglas Prillaman, Supervisor of Special Education, Arlington County Schools, Virginia	34
Cultural Retardation or Shortcomings of Assessment Techniques. Edward J. Barnes, Associate Professor of Psychology, University Community Education Programs, University of Pittsburgh, Pa.	35
Evaluation and Training of Cognitive-Perceptual-Motor Functioning for Adolescents with Learning and Adjustment Problems (Abstract). Gayle R. Beck, Former Director of Education and Research, Neuro-Education Center, William Beaumont Hospital, Royal Oak, Michigan	43

Is Successful Academic Behavior Therapeutic? An Operant Conditioning Approach to the Development and Utilization of Curriculum Materials for Seriously Disturbed Children. Gerald Hasterok, Assistant Professor, Department of Special Education, The University of Texas, Austin	44
Psychological Services to the Diagnostic Teacher (Abstract). Marjorie Valentine School Psychologist, Arlington County Schools, Virginia	49
Psychopathology of the Sociopathic Adolescent with Implications for Education and Rehabilitation. Dennis L. Hogenson, Rehabilitation Counselor and Psychologist, School District Number 281, Robbinsdale, Minnesota	49
The Role and Function of the Diagnostic Teacher (Abstract). Vera Vinogradoff, Diagnostic Teacher, Alexandria Public Schools Virginia	53
Some Implications for Education and Diagnostic/Prescriptive Teaching. Robert W. Prouty, Assistant Professor, Department of Special Education, The George Washington University, Washington, D.C.	54
Teachers of Disturbed Preschool Children: Preparation for Leadership. Samuel J. Braun, Lecturer, Department of Child Study, Tufts University, Medford, Massachusetts; Miriam G. Lasher, Instructor, Department of Child Study, Tufts University, Medford, Massachusetts	55
The Training of Reifications: Significance in the Education of Teachers of the Emotionally Disturbed. Lester Mann, Director of Special Education, Office of the County Superintendent of Schools, Montgomery County, Pennsylvania	57
The Training of Teachers of Disturbed Preschool Children. Jane Schwertfeger, Associate Professor, School of Education, University of Michigan, Ann Arbor; William C. Morse, Professor, University of Michigan, Ann Arbor	64
Trends and Issues in Placement and Organization for Instruction in Special Education Programs. William F. Brazziel, Professor of Special Education, Department of Psychology and Child Development, Virginia State College, Norfolk	69
<i>Communication Disorders</i>	
Auditory Sequencing Functions in Normal Children and Children with Language and Learning Disorders (Abstract). James L. Aten, Associate Professor of Speech Pathology, Speech and Hearing Clinic, University of Denver, Colorado; Cheryl Caldwell, Speech Pathologist, Children's Hospital, Denver, Colorado; Janet Hirschberg, Graduate Student in Speech Pathology, University of Denver, Colorado	72
Behavior Theory and Stuttering: Principals and Techniques. Robert T. Wertz, Assistant Professor, Department of Speech Pathology and Audiology, University of Colorado, Boulder; James L. Aten Associate Professor of Speech Pathology, Speech and Hearing Clinic, University of Denver, Colorado	72
Causes and Characteristics of Communication Disorders in Elementary School Children. John H. Meier, Director, JFK Child Development Center, Associate Professor Clinical Psychology and Pediatrics, University of Colorado Medical Center, Denver	80
Children with Learning Disabilities: IV Conditioning Differentiation and Distraction. Roscoe A. Dykman, Professor of Psychology; Robert C. Walls, Associate Professor of Biometry; Peggy T. Ackerman, Research Associate; and John E. Peters, Director of Child Guidance Clinic, Departments of Psychiatry and Biometry, University of Arkansas Medical Center, Little Rock	90
Components of a Well Managed Classroom. Richard Olds, Assistant Psychologist, Reading Improvement Service, University of Michigan, Ann Arbor	96
Hearing Conservation Program Federally Supported. Wanda L. Moody, Coordinator, Speech and Hearing Services, Knoxville City Schools, Knoxville, Tennessee	99
Helping Teachers Manage Classrooms: The Decision Processes in Classroom Management. Raymond Cabot, Assistant Professor of Education, College of Education, Cleveland State University, Ohio	103

How to Tell a Well Managed Classroom When You See One. Carl Semmelroth, Assistant Professor of Psychology, Cleveland State University, Ohio	106
If I Had it to Do Over . . . George W. Fellendorf, Executive Director, The Alexander Graham Bell Association for the Deaf, Washington, D.C.; Icie Harrow, Staff Correspondent, The Alexander Graham Bell Association for the Deaf, Washington, D.C.	109
Learning Approaches to Stuttering (Abstract). Bruce R. Ekstrand, Assistant Professor of Psychology, Department of Psychology, University of Colorado, Boulder	119
The Use of Systematic Desensitization with Simultaneous Feedback in Stuttering Therapy (Abstract). John C. Rosenbek, Doctoral Candidate, Department of Speech Pathology and Audiology, University of Colorado, Boulder	119

Early Childhood Education

Childhood Disability: A Case for Early Intervention. Francis X. Blair, Associate Professor, Department of Exceptional Education, University of Wisconsin, Milwaukee	120
An Experimental Language Program for Project Head Start (Abstract). Stan S. Cooke, Director, Division of Speech and Hearing Services, Children and Youth Project, Department of Pediatrics, University of Virginia, Charlottesville	123
Pilot Language Development Programing for Headstart (Abstract). Sara Ivy, Director, Speech Pathology Laboratory, Division of Speech Pathology and Audiology, Florida State University, Tallahassee	125
Prediction of Intellectual Deficiency and School Failure During Infancy and Preschool Years (Abstract). Marilyn T. Erickson, Associate Professor of Psychology, Child Development Institute, University of North Carolina, Chapel Hill	126
Program Issues in Planning for Preschool Children. J. William Rioux, President, The Merrill-Palmer Institute, Detroit, Michigan	127

Mental Retardation

Academic Skills with the Trainable Mentally Retarded. Alan Hofmeister, Director, Adult Training Program, Pearl Buck Center for the Retarded, Eugene, Oregon	132
Application of ITPA for Mentally Retarded Children (Abstract). Harold A. Rupert, Field Representative, Rocky Mountain Special Education Instructional Materials Center, Colorado State College, Greeley	136
Approaches to Language Training for the Educable Retarded Child—or How to Talk with Children (Abstract). Courtney B. Cazden, Assistant Professor of Education, Harvard University, Cambridge, Massachusetts	138
The Behavior Characteristics of Educable Retarded School Children in Social Interaction with Their Normal Peers. Muriel W. Pumphrey, Program Director, EMR Project of St. Louis Jewish Community Centers Association and Washington University, Missouri; Edward N. Peters	139
Developing a Systematic Approach to the Problems of Educating Atypical Children. Jack M. Regal, Associate Professor, Department of Special Education, The Pennsylvania State University, University Park	144
Enhancing the Cognitive Development of Mentally Retarded Children. John William Hagen, Assistant Professor, Department of Psychology, University of Michigan, Ann Arbor.	148
Implications of Panel Presentations: Habilitation Resources for the Retarded. Jerry D. Chaffin, Assistant Professor of Education, School of Education, University of Kansas, Lawrence	151
Junior Achievement and Special Education. Richard D. Howard, Director of Special Education, Pikesville College, Kentucky.	155

Modifying Child Rearing Practices Through Group Meetings of Mothers of Retarded Infants. Maurice M. Fouracre, Director, St. John's Child Development Center, Washington, D.C.	157
New Directions for Teaching Children with Retarded Development. Julia Molloy, Principal-Director, Orchard School for Special Education, Lincoln School District Number 69, Skokie, Illinois	162
Occupational Training for the Trainable Mentally Retarded. Wesley V. St. John, Director of Special Education, Office of the Napa County Superintendent of Schools, California. . .	184
Parental Involvement in Preschool Programing. Mary R. Adair, Assistant Professor of Special Education, The Pennsylvania State University, University Park	187
Practicum Variety and Selectivity. Edward L. Meyen, Director, Special Education Curriculum Development Center, the University of Iowa, Iowa City	190
Problem Areas for Research in Sparsely Populated Areas of the West. Gene Hensley, Director, Special Education and Rehabilitation Program, Western Interstate Commission for Higher Education, Boulder, Colorado	193
Program Evaluation—What and How. Austin J. Connolly, Assistant Professor, Department of Special Education, University of Missouri, Columbia	193
Recruitment, Selection, and Retention of Students in a Teacher Preparation Program in Mental Retardation (Abstract). Jack C. Dinger, Chairman, Department of Special Education, Slippery Rock State College, Pennsylvania	201
The Role of the Community Agency in the Integration of Educable Retarded Persons in Normal Groups. Mortimer Goodman, Codirector, EMR Project of St. Louis Jewish Community Centers Association and Washington University, Missouri	202
Some Characteristics of the Preschool Child Testing as Educable Mentally Retarded with Implications for Educators. Gladys M. Hillsman, Director, Childhood League Preschool Development Center, Columbus, Ohio	208
Training Teachers for Effective Communication with Parents (Abstract). L. Gerald Buchan, Assistant Professor, College of Education, Idaho State University, Pocatello	217
Videotape Programing for the Trainable Mentally Retarded—An Aid to the Classroom Teacher (Abstract). Jess A. LaPuma, Consultant in Speech and Audiovisual Services, Missouri State Department of Education, Jefferson City	218
What Parents Expect of Professionals (Abstract). Ernest John Ostrom Elementary Counselor, Oak Grove School District, San Jose, California	220
<i>Physically Handicapped, Homebound, and Hospitalized</i>	
Case Finding and Placement of the Crippled Child. Edward Ronayne, Director of Special Services, Poudre R-1 School District, Fort Collins, Colorado	221
The Dying Child, Ethel M. Leach, Professor of Education, Texas Women's University, Denton	224
Educational Appraisal and Meaningful Instruction (Abstract). Jasper Harvey, Chairman, Department of Special Education, University of Alabama, University	227
The Education of Handicapped Children in a Multidiscipline Setting. James W. Briggs, Principal, Glenrose School Hospital, Edmonton, Alberta, Canada	227
The Pregnant Girl. June P. England, Director of Special Education, Wayne County Intermediate Schools, Detroit, Michigan	235
<i>Learning Disabilities</i>	
Application of the ITPA for Children with Learning Disabilities. Judith Weinthal, Resource Specialist, New England Materials—Instruction Center, Boston University, Massachusetts	241

Applications of a Psychoeducational Evaluation. Anne L. Langstaff, Research Associate, Instructional Materials Center for Special Education, University of Southern California, Los Angeles	245
A Comparison of the Learning Characteristics of Hyperactive and Hypoactive Children with Related Central Nervous System Dysfunctions (Abstract). Maxine F. Gates, Supervisor, School of Psychologists, Intern Training, Ohio State University, Columbus	249
A Cooperative Private and Public School Program for Children with Learning Disabilities (Abstract). Marianne Frostig, Executive Director, Marianne Frostig Center of Educational Therapy, Los Angeles, California	250
Factors in Severe Reading Disability: The Psychological Test Correlates. Gilbert R. Gredler, Associate Professor of Educational Psychology, Temple University, Philadelphia, Pennsylvania	250
Ingredients (Immediate Materials Selection) (Abstract). Carlene Van Etten, Materials Laboratory Coordinator, Educational Modulation Center, Olathe, Kansas; Gary W. Adamson, Director, Education Modulation Center, Olathe, Kansas	267
Initiating Statewide Programs for the Educationally Handicapped. Anne Welch Carroll, Associate Professor of Education, University of Denver, Colorado	268
Learning Disabilities: Where Have We Been? Where Are We Going? Jeanne McRae McCarthy, Associate Professor of Education, University of Illinois, Chicago	273
Outpatient Diagnostic and Remedial Services for Children with Cerebral Dysfunction (Abstract). Howard L. Millman, Chief Psychologist, Middlesex County Mental Health Clinic, New Brunswick, New Jersey	280
Perceptual Behaviors and Reading Disabilities: Emphasis on the Neurological Impaired. Gerald B. Fuller, Professor, Department of Psychology, Central Michigan University, Mt. Pleasant	280
Personal Adjustment Training for Young Adolescents with Learning Disabilities (Abstract). Sol Gordon, Associate Professor of Education and Psychology, Yeshiva University, New York	290
The Private School and its Practical Relationship. Edward Scagliotta, Director, The Midland School, North Branch, New Jersey	291
A Program of Language Remediation (Abstract). Douglas E. Wiseman, Supervisor of Program Development and Evaluation in Special Education, Independent School District Number 625, St. Paul Public Schools, Minnesota	295

Visually Handicapped

Multiple Impairment and Teacher Education in the Area of the Visually Handicapped (Abstract). Georgie Lee Abel, Professor, San Francisco State College, California	297
Some Observations in the Selection of Visually Impaired Persons for Enrollment in College. Walter C. Fitzgibbon, Coordinator, Program for Mental Retardation, School of Education and Psychology, Western Carolina University, Cullowhee, North Carolina ...	298
Work Experience Programs for the Visually Impaired. Jerry McGee, Coordinator, ESEA Title VI, Oregon State Board of Education; Jean P. Edwards, Assistant Professor of Special Education, Portland State University, Oregon	302

Administration

The Administration and Organization of the Nongraded School (Abstract). Robert C. Whittitt, Supervising Principal, Board of Education, District 14, Spring Valley, New York. . .	308
--	-----

Communication Problems and Practices in the Development and Administration of Special Education Programs at Various Operational Levels (Abstract). Thomas R. Traynor, Divisional Director, Department of Special Education, Detroit City Schools, Michigan	309
A Comprehensive Evaluation, Therapy, and Academic Training Program for Handicapped Children in a Sparsely Populated State. Everett D. Peery, Director, Montana Center for Handicapped Children, Eastern Montana College, Billings	309
The Cooperative Special Education Program. Richard J. Kothera, Superintendent of Schools, Roseland School District Number 92, Shawnee Mission, Kansas	312
The Effective Use of the Extended School Year. Samuel B. Ross, Jr., Director of Program Development, Green Chimneys School, Brewster, New York	317
The Physical Environment: A Brave New World. Alan Abeson, Project Coordinator, Physical Environment and Special Education, The Council for Exceptional Children, Washington, D.C.	324
Role of the Special Education Leader in Establishing Basic Communication. Leslie Brinegar, Director, Division of Special Education, Indiana State Department of Public Instruction, Indianapolis	328
<i>General Sessions</i>	
The Wrong Questions. John W. Kidd, Assistant Superintendent, Department for the Mentally Retarded, Special School District of St. Louis County, Missouri	339
Future Planning for Special Education. James J. Gallagher, Associate Commissioner, Bureau of Education for the Handicapped, Office of Education, Washington, D.C.	345
Reeducating the Education Professions. Don Davies, Associate Commissioner for Educational Personnel Development, US Office of Education, Department of Health, Education and Welfare, Washington, D.C.	353
Qualitative Aspects of Children's Counting. Hans Tangerud, Senior Lecturer, Institute for Educational Research, University of Oslo, Norway	360
Educational Research in the United States. James W. Moss, Director, Division of Research, Bureau of Education for the Handicapped, U.S. Office of Education, Department of Health, Education, and Welfare, Washington, D.C.	375
<i>International Relations</i>	
Comparative Special Education—A Challenge for Today—A Reality Tomorrow. I. Ignacy Goldberg, Professor of Education, Teachers College, Columbia University, New York; John D. Webster, Assistant Director for Mental Health Training and Research, Southern Regional Education Board, Atlanta, Georgia.	381
The Concerns of UNESCO for Preschool Handicapped Children (Abstract). Paul C. Regan, Director, International Service and Research, Institute of International Studies, US Office of Education, Department of Health, Education, and Welfare, Washington, D.C.	390
The Involvement of Some Federal Agencies in Special Education in Latin America. Joseph Rosenstein, Assistant to the Assistant Secretary for Education, Programs for the Deaf, Office of the Secretary, Department of Health, Education, and Welfare, Washington, D.C.	393
Preschool Education of the Handicapped in New Zealand (Abstract). Jim Havill, Churchill Fellow, Colorado State College, Greeley.	401
<i>Research</i>	
The California Exemplary Curriculum Guides Project. Joyce Hagen Sonntag, Assistant Professor, Los Angeles, California.	403

Creativity and Intelligence: Their Relation to Peer Acceptance (Abstract). John F. Jacobs, Research Associate, Florida Educational Research and Development Council, University of Florida, Gainesville; Myron A. Cunningham, Professor of Education, College of Education, University of Florida, Gainesville	406
The Effects of Reward and Level of Aspiration on an Educational Task with Children Identified by a Problem Behavior Checklist (Abstract). Thomas L. Noffsinger, Graduate Fellow, George Peabody College for Teachers, Nashville, Tennessee	406
Empirical Study of Instructional Materials Evaluation in Special Education. S. Joseph Levine, Research Associate, USOE/MSU Instructional Materials Center for Handicapped Children and Youth, Michigan State University, East Lansing	408
Improving Mongoloid Coordination Using Doman-Delacato Patterning and Social Reinforced Instruction (Abstract). H. D. Fredericks, Assistant Research Professor, Teaching Research Division, Oregon State System of Higher Education, Monmouth	437
A Longitudinal Study of Disadvantaged Children Who Participated in Three Different Preschool Programs. Merle B. Karnes, Project Director and Professor of Special Education; James A. Teska, Research Associate Audrey S. Hodgins, Senior Educational Specialist, Institute for Research on Exceptional Children, College of Education, University of Illinois, Urbana	438
Reinforcement Procedures and the Increase in Functional Speech by a Brain Injured Child. R. Vance Hall, Research Associate, Bureau of Child Research, University of Kansas, Lawrence	454
Sequences of Programed Instruction for Mentally Retarded Adolescents (Abstract). G. Phillip Cartwright, Assistant Professor of Special Education, The Pennsylvania State University, University Park	460
Specific Treatment and Instructional Recommendations. Margaret A. Scheffelin, Assistant Professor, Department of Special Education, California State College, Los Angeles.	460
The Stability of Reading Achievement in Deaf Adults. Frieda K. Hammermeister, Assistant Professor, Special Education and Rehabilitation, University of Pittsburgh, Pennsylvania	467
A Systems Approach to Institutional Research. Gerard G. Walter, Research Associate, National Technical Institute for the Deaf, Rochester Institute of Technology, New York.	476
Utilization of Nonprofessional Personnel in Teaching Language Skills to Mentally Retarded Children. Douglas Guess, Research Psychologist, Kansas Neurological Institute, Topeka; Gorin Rutherford, Kansas Neurological Institute, Topeka; James O. Smith, Professor of Special Education, University of Missouri, Columbia; Eugene Ensminger, Coordinator, Program in Learning Disabilities, University of Kansas, Lawrence	482
<i>Special</i>	
Can Involvement Count? (Abstract). Arthur A. McElroy, Graduate Fellow, Department of Special Education, The University of Oregon, Eugene	494
CEC as a Professional Organization and its Relation to the Student of Special Education. Merrick L. Sokol, Graduate Student, Department of Special Education, Boston University, Massachusetts	495
Education of the Physically Handicapped: An Urban Approach (Abstract). Howard Marr, Principal, Variety School, Clark County School District, Las Vegas, Nevada	497
Family Involvement in Educating the Handicapped: Utilizing Research Findings from the Culturally Disadvantaged. Merle B. Karnes, Professor of Special Education, Institute for Research on Exceptional Children, University of Illinois, Champaign	499
Innovation in the Training of Teachers of the Mentally Retarded: Learning to Construct Programed Instructional Mixed Media Sequences. James Q. Affleck, Chairman, Department of Special Education, College of Education University of Washington, Seattle	504
Mothers' Training Program: Educational Intervention by the Mothers of Disadvantaged Infants (Abstract). Earla Deen D. Badger, Trainee, Leadership Training Program for Administrators of Programs for the Preschool Disadvantaged, Department of Special Education, University of Illinois, Champaign.	506

New Trends in a Coordinated Approach for Vocational Education and Inschool Rehabilitation of Handicapped Children. Elizabeth M. Goodman, Education Program Specialist, Bureau of Education for the Handicapped, US Office of Education, Department of Health, Education and Welfare, Washington, D.C.	506
Training Mothers as Teachers in a Preschool for Disadvantaged Children. Catharine C. Sprugel, Assistant Director of Demonstration Classes, Institute for Research on Exceptional Children, University of Illinois, Champaign	513
The Use of Videotapes in the Instruction of Special Education Administrators (Abstract). Thomas David Marro, Assistant Professor, Department of Special Education, The Pennsylvania State University, University Park	519
The Utilization of the Field Experience in the Preparation of Special Education Administrators (Abstract). Charles E. Henley, Associate Professor of Education, Michigan State University, East Lansing	520
<i>Teacher Education</i>	
The Role of the Teacher Pending Discharge of the EH Student. Barbara Laier, Teacher-Coordinator in Emotionally Handicapped Programs, Los Angeles County Schools, California	521

TERMS AND CONDITIONS

1. PRICE LIST

The prices set forth above may be changed without notice; however, any price change will be subject to the approval of the U.S. Office of Education Contracting Officer.

2. PAYMENT

The prices set forth above do not include any sales, use, excise, or similar taxes which may apply to the sale of microfiche or hard copy to the Customer. The cost of such taxes, if any, shall be borne by the Customer.

Payment shall be made net thirty (30) days from date of invoice. Payment shall be without expense to LIPCO.

3. REPRODUCTION

Materials supplied hereunder may only be reproduced by not-for-profit educational institutions and organizations; provided however, that express permission to reproduce a copyrighted document provided hereunder must be obtained in writing from the copyright holder noted on the title page of such copyrighted document.

4. CONTINGENCIES

LIPCO shall not be liable to Customer or any other person for any failure or delay in the performance of any obligation if such failure or delay, (a) is due to events beyond the control of LIPCO including, but not limited to, fire, storm, flood, earthquake, explosion, accident, acts of the public enemy, strikes, lockouts, labor disputes, labor shortage, work stoppages, transportation embargoes or delays, failure or shortage of materials, supplies or machinery, acts of God, or acts or regulations or priorities of the federal, state, or local governments, (b) is due to failures of performance of subcontractors beyond LIPCO's control and without negligence on the part of LIPCO, or (c) is due

to erroneous or incomplete information furnished by Customer.

5. LIABILITY

LIPCO's liability, if any, arising hereunder shall not exceed restitution of charges.

In no event shall LIPCO be liable for special, consequential, or liquidated damages arising from the provision of services hereunder.

6. WARRANTY

LIPCO MAKES NO WARRANTY, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

7. CHANGES

No waiver, alteration, or modification of any of the provisions hereof shall be binding unless in writing and signed by an officer of LIPCO.

8. DEFAULT AND WAIVER

a. If Customer fails with respect to this or any other agreement with LIPCO to pay any invoice when due or to accept any shipment as ordered, LIPCO may without prejudice to other remedies defer any further shipments until the default is corrected, or cancel this Purchase Order.

b. No course of conduct nor any delay of LIPCO in exercising any right hereunder shall waive any rights of LIPCO or modify this Agreement.

9. GOVERNING LAW

This Agreement shall be construed to be between merchants. Any question concerning its validity, construction, or performance shall be governed by the laws of the State of New York.
